Mission trip teams to Eastern Provinces

For my father, 9 years ago students mission trip team shared Gospel with my father on the street and he received Christ Jesus in his life. After that he started his faith's journey. Even he served in worship team for 2 years. And after that year he was sent to be with Heavenly Father because of heart's problem. God answers our prayers. Cause I prayed for my father's salvation for 2 years. Cause we used to live separately, one thing I can do was only prayer. That mission team was my prayer answer into my life. Praise God!

We really thank you for your prayers for us. Through your prayers we successfully finished the mission trips.

Between 17-24 June, Mongolian Military Ministry sent 3 teams with 18 military disciples to Eastern provinces. **They shared Gospel with 148 people through four spiritual laws. Praising news is 82 people received Christ in their hearts.** They also organized discipleship training in 2 local churches for believers.

We are very thankful for this opportunity to attend mission trips. All disciples were very encouraged by personal evangelism and ministry. We believe God answered to many prayers for this time like mine. Thank God for Holy Spirit filled ministry and protection on us. Praise the Lord!

Prayer request:

- 7 volunteers and 5 staff members will attend the Christian Military Conference of East Asia in Japan. We want to enlarge our vision, skills, heart and cooperation through this conference. It will be held 29-31 Aug.
